Room with Roses are specialists in intimate weddings and functions. We give our guests a unique experience in dining and a step back in time to the elegance of a bygone era. Our aim is to provide you with great food and exceptional service with old fashioned values and atmosphere.

We have three lovely areas available at Room with Roses, each with its own charm – the Balcony, the Champagne Room and the Chandelier Room. All of these spaces are located on the Gallery Level of Brisbane Arcade with views over the only remaining art deco arcade in Brisbane, decorated throughout with intricate balustrades, polished brass, period stained glass and Queensland Maple paneling throughout.

Room with Roses is the perfect location to host your ceremony and reception, without even having to travel! All three of our spaces boast an elegance which makes them perfect for memorable photographs on your special day.

The Balcony offers stunning views over the Brisbane Arcade with all its beautiful art deco elements, featuring intricate balustrades, stained glass and Queensland Maple panelling throughout.

The Champagne Room is a new feature and has a welcoming feel that is just right for hosting wedding ceremonies, with a capacity of up to 30 seated. The room is fully air conditioned, and can seat up to 45 people cocktail style.

The room has a delightful elegant ambience and is located adjacent to our Balcony (perfect to relax in following the ceremony) before entering our Chandelier Room to enjoy an intimate celebration of your wedding.

Our Chandelier Room also has its own elegant atmosphere filled with natural light, framed by French doors and windows overlooking the treetops of Adelaide Street and, of course features 2 magnificent European chandeliers.

Room with Roses is easily accessible by lift, which can also be used for disabled access. Affordable parking is available at King George Car Park, Adelaide Street Brisbane (access directly opposite Brisbane Arcade in Adelaide Street or via Roma Street, opposite the Hotel Pullman King George Square.)
