Pre-Mother's Day Celebration Menu 2018

7th May - 12th May 2018

Fabulous Facts about Mother' Day

-  In Greek mythology spring festivals were held in honour of the maternal goddess called, Rhea. She was the wife of Cronus and was believed to be the mother of many deities.
-  In 250 B.C. ancient Romans celebrated a spring festival called, Hilaria. This was dedicated to a mother goddess named, Cybele, on the Ides of March.
-  In the 1600's England, Mothering Sunday took place on the 4th Sunday of Lent. It began with a prayer service in honour of the Virgin Mary and later children would present their mothers with flowers.
-  In 1870 a female activist, writer and poet by the name of Julia Ward (she wrote the "Battle Hymn of the Republic") suggested a day of peace and strongly advocated other women to stand up against the war.
-  Anna Jarvis was also a woman that may have been behind our traditional Mother's Day celebration on the second Sunday of May. Anna never had children, but she wanted to carry out her own mother's wishes of having a day just for mums. Anna tirelessly campaigned and on May 8th, 1914 President Woodrow Wilson signed a Joint Resolution designating the second Sunday in May as Mother's Day.
-  Though it was officially started in the United States, Mother's Day is an annual celebration in almost 50 countries around the world, only that its date of celebration varies greatly - from February to August.
-  Mother's Day sees around one quarter of all flowers purchased throughout the year.
-  In the vast majority of the world's languages, the word for "mother" begins with the letter M.
-  Room with Roses has been offering our Mother's Day Grand High Tea since 2010:
 - In the first year we served 110 guests in one sitting
 - In 2017 we served more than 350 guests over 3 sittings and made over 700 raspberry scones as well as 4,500 individual sweets for the sweets buffet.

We hope you can join us for our Grand High Tea next Mother's Day.
