Italian Week

Celebration Menu

4th - 9th June 2018

The Story Behind Italian Week

Italian Week is typically celebrated from early every year, all over the world.

The 2nd of June marks the 'Festa della Repubblica', the Italian National holiday celebrated on the second day of June. It commemorates the institutional referendum of 1946 when Italian citizens were called to decide between a monarchy and republic. After 85 years of monarchy Italy became a Republic, and the monarchs of the House of Savoy were deposed and exiled. The 2nd of June is one of the most important Italian national holidays which, like July 14th in France (Storming of the Bastille) and July 4th in the USA (Independence Day), celebrate the birth of the nation.

Italian Week is a celebration of Italian culture and the influence of Italy worldwide, encompassing anyone who wants to participate. It honours Italian migration and culture when, during the century between 1870 and 1970, over 26 million people migrated internationally from Italy.

Italian immigration to Australia can be traced back to the beginning of English colonisation with Italians migrants appearing in the first Census collated by the New South Wales Government in 1828. Over the coming years, mass migration to Australia saw 360,000 Italians arrive between 1947 and 1976.

In 2007 the Italian Week festival in Queensland was created. Since 2009, the Treasury Casino in the heart of Brisbane and other historically significant key structures in the city of Brisbane have been lit in the Italian colours of green, white and red for the duration of Italian Week festival.
